## Request for Exemption from Influenza Vaccination

Employee Name \_\_\_\_\_ Date \_\_\_\_\_

Keck Graduate Institute is mandating influenza vaccination for all of its employees. Each request for exemption, regardless of the reason, will be evaluated individually by the office of Human Resources.

### Medical Exemption \_\_\_\_\_

By requesting an exemption due to medical contraindications, I will be required to provide documentation from my primary care physician. I also understand that the medical exemption must be based on standard criteria for medical exemptions recommended by the Centers for Disease Control (CDC) and Prevention or Advisory Committees on Immunization Practices.

### Religious Exemption \_\_\_\_\_

A religious exemption to immunization may be granted as an accommodation based on an individual's sincerely held religious belief, practice, or observance. Social, political, or economic philosophies, and personal preferences do not constitute religiously held beliefs.

### Philosophical Exemption \_\_\_\_\_

I hereby certify that immunization is contrary to my beliefs. I request an exemption to the Influenza Immunization requirement. I have written a summary of my objections in the space provided below.

I understand that I will be provided 10 business days to obtain the supporting documentation for either the medical or religious exemption.

I understand that I will receive written notification regarding the exemption request status within seven (7) business days after the required documentation has been provided to the office of Human Resources.

I understand that if my exemption request is approved, I will be recognized as compliant with the mandatory influenza vaccination requirement. This information will not be provided to anyone outside of Human Resources.

For any questions concerning these exemptions, please contact Human Resources at [hr@kgi.edu](mailto:hr@kgi.edu)
